H0110-0511	5/16"	1900	92'
H0110-0611	3/8"	2650	63'

Load Bar
CC5050

WLL: Working Load Limit is the maximum load (in pounds) which should ever be applied to any assembly, when the assembly is new and the load is uniformly applied in direct tension to a straight, untwisted assembly.
