PRODIGY™

90885 PRODIGY™

For 2,4,6 or 8 Electric/Hydraulic Brakes

Self-leveling proportional braking
Digital controller

Works proportionally in Reverse also!
Limited Lifetime Warranty

PRODIGY® is the most advanced and intelligent approach to trailer brake controls. PRODIGY®, requiring no manual leveling, is a technological breakthrough among inertia-activated brake controls. Equipped with a self-adjusting sensing device similar to the one used in guided-missile technology to allow for easy, flexible installation — from nearly horizontal to nearly vertical — PRODIGY® constantly adjusts itself to the position of the tow vehicle.

PRIMUS™ IQ

90160 PRIMUS™

For 2,4, or 6 electric brakes

Self-leveling proportional

braking Digital controller

Works proportionally in

Reverse also!

Limited Lifetime Warranty

Utilizing the primary sensor technology from Prodigy®, the Primus®IQ now includes the “Boost” feature that gives users the ability to apply more initial trailer braking when towing heavier trailers. You will appreciate the digital readout depicting a secure electrical connection, amount of voltage delivery to the trailer brakes and diagnostic features incorporated in the LED display.

- Utilizes “Plug-N-Play” port for 2-plug adapters
- Self-diagnostics features will illuminate LED readout when issues occur

WIRE HARNESSSES FOR P3, PRIMUS & PRODIGY

90250 PRODIGY™ RF BRAKE CONTROLLER

Features:

Utilize for rental businesses, fleet ownerships or multiple tow vehicles. Requires no leveling.

Remote Hand Held Unit

- No under dash wiring necessary - utilizes wireless communication
- The original “Boost” feature allows for different levels of customized braking
- System runs continual diagnostics and displays fault codes in hand held unit's display
- Plugs into standard 12-volt power accessory adapter
- 5 year limited warranty

Trailer Mount (Power Module) Unit

- Utilizes standard sealed 8' blade style 7-way connector
- Multiple mounting positions on tongue or front of trailer
- 15 year limited warranty on power module
- 1 year limited warranty on cord
